

Details Of Capacity (mw) Utilization For Power Generation 19-Jun-2025

Particulars	Monitored Capacity(MW) (As on 19-Jun-2025)	Capacity under long outage(MW)	New Capacity under stabilization/Completion of balance works	Capacity (MW)				Capacity outage as percent of Monitered	Capacity on Line(MW)	Sum of Max. Power generated (MW)		Max. Power output as % of	
				PM	FO	Others	Total			Gross	Net	Capacity on line	Monitered
